Dear Mariarosa:

I remember promising to mail you a copy of the newsletter about the international conference at Frankfurt a very long time ago. Perhaps you have already had an opportunity to see it? My copy went to my address in the United States, so I have only just gotten hold of someone else's copy. Hence, the delay.

We are running late in our trip, and so we can extend our deadline for receiving your account of

Lotta Feminista group 2
 until Dec. 12 if this suits
 you better. Another alternative
 is to give it to me at the
 Frankfurt conference if you
 or any from your group
 will be there.

By the way, Maicia was
 able to meet Simone de Beau-
 voir, and she agreed to
 write a preface for the book
 if she liked it.

I went to a meeting at
 the Power of Women Collective
 earlier this week where
 Selma James gave a talk
 on the movement in Germany.
 It was very interesting, but
 I have not yet had a
 chance to talk with her

personally about the group,
and the British movement
as a whole.

I hope your national
conference went well, and
look forward to reading
what you / your group
write about Lotta Femesta
Group 2.

In sisterhood,

Diana (Russell)
