greetings Mami Rosa -

I am sorry to be unable to meet you on this trip to Padova. I would have liked to talk to you + make contact with the women's meet in Italy, although the 2nd part I can probably do myself because it is so large.

I would like to add something to my last letter that I think was perhaps unclear, that is, I like your article, Emancipation + Repro., very much + would still want to talk to you about it. When we return from the South I will try to phone you. Hope your illness is better.
